

“IMAGINE” THE WANNABEATLES AND ORCHESTRA!

The WannaBeatles and orchestra have “Come Together” to create a unique and musically exciting experience. From the first wave of the maestro’s baton to that final chord, you’ll hear Beatles music as it was meant to be heard – live with orchestra. The WannaBeatles have expanded the orchestra’s role by creating new arrangements to songs such as "Back in the USSR" and "Roll Over Beethoven" with electrifying results that will keep both the audience and orchestra totally engaged.

Playing to standing ovations, The Grammy nominated WannaBeatles and Symphony will bring musical magic to your Pops Concert Series or event.

- Music charts available for full symphony
- Shows with Youth and Community orchestras
- Rehearsal with orchestra included
- Master classes and workshops upon request
- School programs and community outreach

"Your musicality, professionalism, and originality were outstanding. I would highly recommend The WannaBeatles to any orchestra for their entertaining performance" Symphonycity, Virginia Beach

"The symphony had record breaking crowds when we performed with The WannaBeatles. It was an evening to remember" - South Florida Symphony

"The orchestra truly enjoyed playing with you. It was the best pops show in a long time." - Eastern Kentucky University Orchestra
